

**Birthday Party Agreement
(please read)**

General Information

Please be on time with your party. You will not be given extra time if you arrive late! There will be another party preparing to set up as your party is coming to a close, so please be prepared to leave promptly at the end of your time and before leaving make sure to pay the balance of your party. Please be aware that if your party runs over the allotted ninety minutes then you will be charged \$20 for every fifteen minutes you stay after your designated time. Also, if you feel that the party was a success and that everyone had a good time, feel free to drop the party instructor a tip to show your appreciation. Each party host must clean the party area after use.

All birthday parties are ninety minutes long. The party will begin with a brief introduction of the coaches, followed by a general warm up. Next, the coaches will supervise games and other activities utilizing various pieces of gymnastics equipment.

Approximate time on the gym floor is 50 – 55 minutes. The remaining portion of the party will take place in one of our two party rooms. Refreshments can be served and presents may be opened during this time. Approximate time in the party room is 30 minutes.
